**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

Manichanh Sitivong,

Plaintiff,

v.

United States of America; DOES I through X,  
inclusive; ROE BUSINESS ENTITIES, I  
through X, inclusive,

Defendant.

Case No. 2:22-cv-00169-APG-DJA

**Stipulation and Order to Continue Trial  
(First Request)**

Pursuant to Local Rule IA 6-1 and Local Rule 7-1, Plaintiff Manichanh Sitivong, and Defendant United States of America, through counsel of record, stipulate and request that the Court continue the trial currently scheduled to begin on July 25, 2025, to the week of October 27, 2025, or a date thereafter which fits the Court's calendar and that all associated pre-trial deadlines be extended in accordance with the new trial date. This request for a continuance is made in good faith and not for any improper delay. This is the first request to continue the trial.

Undersigned counsel, Tamer B. Botros for the United States has recently been associated into this matter and will not have sufficient time to effectively prepare for trial. Due to unforeseen circumstances, the most-recently assigned AUSA, Thomas Colonna, is presently unavailable to handle this matter at this time.

Furthermore, on June 5, 2025, Plaintiff disclosed her Fourteenth Supplemental records consisting of approximately 1,633 pages of medical records, including records that

were not previously disclosed. It will require additional time for the newly disclosed medical records to be sent to Defendant's experts for review and analysis in order to provide expert opinions at trial. These circumstances will not give enough time for the parties to prepare and be ready for trial on July 25, 2025. Accordingly, the parties respectfully request that the Court continue the trial to the week of October 27, 2025, or a date thereafter which fits the Court's calendar and that all associated pre-trial deadlines be extended in accordance with the new trial date.

Respectfully submitted this 10th day of June 2025.
